The United Counties of Leeds and Grenville

Resolution No. CC-2020
Date: January 23, 2020

Moved by ____________________________

Seconded by ____________________________

THAT the Council of the United Counties of Leeds and Grenville instruct Staff to review the Economic Development Strategic Plan recently presented to Council by the Manager of the Economic and Development Department, Ann Weir, for determining and reporting to Council on the potential benefits and adverse consequences of increasing staff with appropriate knowledge, training, experience and capabilities for the purpose of:

1) Assisting Municipalities in Leeds and Grenville in formulating strategies to achieve the recommended actions flowing from the findings of the county-wide Business Retention and Expansion (BR+E) survey and individual Municipal BR+E surveys lead by the Economic Development Directorate;

2) Developing a regional economic growth strategy for assisting Municipalities in Leeds and Grenville in developing and implementing their individual economic growth strategic plans commensurate with their opportunities, strengths, and challenges;

3) Collaborating with and assisting separated municipalities and organizations like the Saint Lawrence Corridor Economic Development Commission established by County member Municipalities to bring net new jobs into Leeds and Grenville.
